# Midland Public Library

Fostering lifelong learning & creativity in Midland  
& its neighbouring communities

## Community Feedback

"A Makerspace is probably the most exciting innovation to happen to Midland in a generation. No lie. I'm extremely optimistic for the Town's future with this invaluable resource available for all."

"Love what you have done with the library and the services available for all of the community. Great job!"

"The staff always go out of their way to make me feel welcome. Such a great place to be!"

"I like what you are doing to revitalize the library."
